7915 Eastern Avenue
Silver Spring, MO 20910

Dear Mr. Gillan:

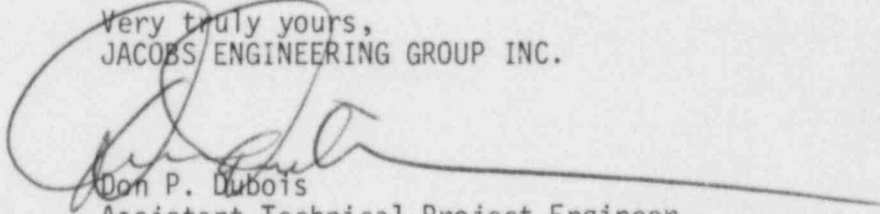

Kathy Carlson asked me to give you the names of contact points on the staff of the Technical Assistance Contractor for the UMTRA Project. The enclosed list of Site Managers is the best source for site specific information. Site Managers are responsible for all aspects of site management and can put you in touch with the individuals in the various technical disciplines working on each site.

If you need generic information in the various technical areas, I suggest you contact the Task Managers as follows:

Engineering	- Berg Keshian
Hydrology	- John Thackston
Radiation	- Ken Baker
Environmental	- Dave Lechel
Vicinity Properties	- Phil Stassi

Roger Williams and I will be happy to provide general information on the UMTRA Project. Please let me know if I can provide any additional information.

Very truly yours,
JACOBS ENGINEERING GROUP INC.

Don P. Dubois
Assistant Technical Project Engineer
