Industrial Applications Section
Division of Radiation Safety

SUBJECT: ROUTINE INSPECTION NO. 03-19014

Dear Mr. Pasciak:

The following is in response to RNV 030-19014.

- 1) The Radiation Safety Manual was not revised to include updated equipment.
- 2) The Radiation Safety Manual and NRC License have been amended to include the updated equipment.
- 3) All personnel will be retrained.
- 4) Aug. 9, 1996.

Sincerely,

M. H. Stiger
Radiation Safety Officer
Tri State Inspection
