Enclosure 3 is an Order being issued to Five Star, Construction Products Research, Inc. (CPR), and H. Nash Babcock based on the results of the inspection and investigation. The Order prohibits Five Star, CPR, or H. Nash Babcock from selling products or providing associated services to meet the requirements of 10 CFR Part 50 Appendix B and 10 CFR Part 21. Further, the Order provides that if Five Star, CPR or H. Nash Babcock must respond to the Order, as well as comply with the other requirements stated in the Order.

This Order is effective in 20 days unless a hearing is requested.

Pursuant to Section 223 of the Atomic Energy Act of 1954, as amended, any person who willfully violates, attempts to violate, or conspires to violate, any provision of this Order once it is effective shall be subject to criminal prosecution as set forth in that section.

The NRC is continuing to review various actions by Five Star and CPR and issuance of this Order does not preclude the NRC from taking further action in the future based on the outcome of those reviews.
