Dear Mr. Miller:

DOCKET NOS. 50-266 AND 50-301
INSPECTION FEES
POINT BEACH NUCLEAR PLANT UNITS 1 AND 2

We recently received invoices 1150V and 1151V covering inspection fees at our Point Beach Nuclear Plant Units 1 and 2 for the period from September 30 to December 22, 1984. I have approved payment of these fees. You should receive this payment shortly under separate cover.

As requested in my letter dated April 12, 1985, we require a more detailed breakdown of man-hours and costs associated with each of the inspections listed in the subject invoices. Please provide this information for these invoices and for all future invoices of this nature.

Very truly yours,

Vice President-Nuclear Power
