Re: USNRC Materials License No. 13-18992-01

Dear Sir or Madam:

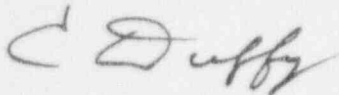

I am sending this correspondence which will serve as notification that we would like to remove some physicians currently listed as authorized users on our USNRC Materials License No. 13-18992-01. This action has been approved by the Radiation Safety Committee which met on September 27, 1996. It is my understanding a fee is not required as this serves as a notification under 10 CFR 35.14 and not deemed an amendment.
