Mr. Joseph J. Petrosino  
U.S. Nuclear Regulatory Commission  
Office of Inspection & Enforcement  
Mail Stop EW/W 355  
Washington, DC 20555

Dear Mr. Petrosino:

POOLED INVENTORY MANAGEMENT (PIM) INSPECTION MAY 28-31, 1985

This is to advise you that as a result of my impending change in my employment with CP&L, the inspection report for the subject inspection should be sent not to me as previously indicated but to Mr. Richard W. Spear, Commonwealth Edison Company, P.O. Box 767, 1230E 72 West Adam Street, Chicago, Illinois 60690. Mr. Spear is presently the Vice Chairman of the Management Committee and will be assuming the Management Committee Chairman's duties until the reelection of officers scheduled in the near future.

Yours very truly,

K. E. Bromenschenkel  
Chairman  
PIM Management Committee
