Dear Administrative Judges:

In accordance with the reporting and disclosure obligations set forth in Duke Power Company (William B. NOTE TO: SAB File

SUBJECT: CURRENT SHIPMENTS OF JOLIET ARSENAL EXPLOSIVES BY RAIL PAST
THE BRAIDWOOD SITE. JULY 8, 1985.

I called Mr. Thomas Berdman at the Office of the Commanders Representative, Joliet Arsenal, Douglas J. Thompson's office (phone 8-815-424-2906) to determine if there had been any change in status of rail shipments of munitions past the Braidwood Nuclear Plant site since I contacted him originally on May 6, 1983. Mr. Berdman was on leave; however, Mrs. Jenny Muir checked and stated that munitions are not being shipped by rail from the Joliet Arsenal.

A handwritten signature in cursive script, reading "Charles M. Ferrell", is positioned above the typed name.
