

NOTICE OF VIOLATION

Rock-Tenn Company
Sheldon Springs, Vermont

Docket No. 030-34208
License No. 44-30327-01

During an NRC inspection conducted on October 3, 1996, violations of NRC requirements were identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," (Enforcement Policy), NUREG 1600, the violations are listed below:

- A. Condition 11.B. of License No. 44-30327-01 requires that the Radiation Safety Officer for License No. 44-30327-01 shall be a named individual.

Contrary to the above, from July 29, 1996 to October 3, 1996, the individual named as the Radiation Safety Officer in Condition 11.B. of License No. 44-30327-01 did not serve as the Radiation Safety Officer.

This is a Severity Level IV violation (Supplement VI).

- B. Condition 22 of License No. 44-30327-01 requires that licensed material be possessed and used in accordance with statements, representations and procedures contained in a letter dated July 29, 1996.

Item 8.1 of this application requires that all mill operators will receive radiation safety training from the device manufacturer.

Contrary to the above, as of October 3, 1996, mill operators had not received radiation safety training from the device manufacturer.

This is a Severity Level IV violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, Rock-Tenn Company is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, D.C. 20555, with a copy to the Regional Administrator, Region I, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. Your response may reference or include previous docketed correspondence, if the correspondence adequately addresses the required response. If an adequate reply is not received within the time specified in this Notice, an order or a Demand for Information may be issued as to why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.

Because your response will be placed in the NRC Public Document Room (PDR), to the extent possible, it should not include any personal privacy, proprietary,

or safeguards information so that it can be placed in the PDR without redaction.

If personal privacy or proprietary information is necessary to provide an acceptable response, then please provide a bracketed copy of your response that identifies the information that should be protected and a redacted copy of your response that deletes such information. If you request withholding of such material, you must specifically identify the portions of your response that you seek to have withheld and provide in detail the bases for your claim of withholding (e.g., explain why the disclosure of information will create an unwarranted invasion of personal privacy or provide the information required by 10 CFR 2.790(b) to support a request for withholding confidential commercial or financial information). If safeguards information is necessary to provide an acceptable response, please provide the level of protection described in 10 CFR 73.21.
