RE: Radiation Survey Report Due To Source Replacement - License  
# 34-13394-01

Gentlemen:

Pursuant to 10 CFR 35.645, enclosed is the report of a teletherapy survey, safety checks, tests and measurements, due to a source replacement on September 6, 1996 for License # 34-13394-01. Enclosures include, Radiation Survey Report, Teletherapy Head Survey Report, Environmental Radiation Survey, Five Year Inspection Report, Inspection Checklist and Teletherapy Source Certificate.

If you have any questions regarding the above information, please contact Shirley Z. Jucius, M.S.; Teletherapy Physicist, Radiation Safety Officer at (330) 480-3158. Thank you.

Very truly yours,

*Shirley Z. Jucius, M.S.*
