REF: U.S. Nuclear Regulatory Commission Materials License #22-01642-10
Henkel Technical Center
2010 E. Hennepin Ave.
Minneapolis, MN 55413

Gentlemen,

In accordance with guidelines received from your office, I am requesting renewal of our materials license based on the validity of the information that the current license contains.

License #22-01642-10 was issued on February 14, 1979, and contains amendments 01 and 02 issued August 30, 1982 and October 26, 1983 respectively.

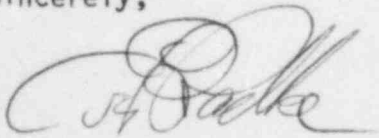

This license accurately reflects our equipment, usage and personnel.

Future use will continue to be in accordance with our license conditions and applicable NRC regulations.

The renewal fee of \$150.00 [10 CFR 170.31 (3) (K)] is enclosed.

Please contact me if any questions arise.

Sincerely,

Eric Radke
Safety Coordinator
