Dear Sirs,

This letter will serve as notification of a proposed transaction (the "Transaction") involving the parent company of Mount Auburn Hospital (the "Hospital"), the holder of the above referred license. Upon the consummation of the proposed Transaction, the Hospital's parent company, Mount Auburn Foundation, will merge with the parent companies of Beth Israel Hospital and Deaconess/Pathway Health Network, with the surviving corporation to be known as CareGroup, Inc. The planned effective date for this Transaction is October 1, 1996.

Except for CareGroup, Inc. becoming the sole member of the Hospital corporation, there will be no change to the Hospital's governance or corporate structure as a result of the Transaction. The Hospital's officers and trustees will all remain in place following the Transaction.

Furthermore, this Transaction will have no material effect on licensed activities at the Hospital. The Hospital will continue to operate as Mount Auburn Hospital, at its current address, and will continue licensed activities under the existing hospital administrative and radiation safety personnel. Specifically, the radiation safety officer, authorized users, and all other persons identified in previous applications as responsible for radiation safety or use of licensed material will remain as previously identified. There will be no changes in the use, possession, location or storage of licensed materials at the Hospital. All statements and commitments previously made in support of licensed activities at this facility will remain in effect. There are no pending enforcement actions. Following the proposed Transaction, the Hospital will continue to abide by all constraints, conditions, requirements, representations, and commitments identified in the existing license.

For these reasons, we hereby request that you consent to the proposed Transaction and agree to waive any applicable requirements relating to prior notice of the Transaction. If you find the foregoing acceptable, please acknowledge your acceptance by signing the enclosed copy of this letter in the space provided and returning it to us in the enclosed self-addressed stamped envelope.
