Re: Control No. 301624

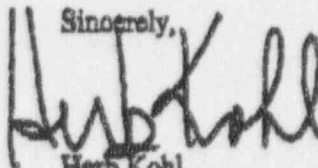

Dear Ms. Meenan:

I am writing to request your assistance on behalf of the Mile Bluff Medical Center, which is requesting expedited review of its application for a new material license.

I would appreciate your giving positive consideration to the enclosed letter from Steven Nockerts citing a business-related reason for expedited review and approval of this rural hospital's application.

Please inform Eve Galanter director of my Madison Senate office of your determination regarding this matter. Thank you for your consideration of this request. I look forward to hearing from you.

Sincerely,

Herb Kohl
