Re: License # 47-21031-01

Dear Sir or Madam:

Please be advised that the ownership of radioactive material licensed to Draper-Aden Associates, Inc. under the above referenced license number has been transferred to Triad Engineering Consultants, 5330 MacCorkle Avenue SW, South Charleston, West Virginia 25309. This radioactive material consisted of Cesium 137 and Americium 241 sources in a Troxler Nuclear Moisture/Density gauge. These sources represent the total extent of licensed material owned by Draper-Aden.

Sincerely,

Draper-Aden Associates, Inc.
