SUBJECT: NOTICE OF VIOLATION DATED SEPTEMBER 3, 1996

Dear Mr. Pyatte:

This acknowledges receipt of your letters dated September 24 and October 18, 1996, in response to our letter dated September 3, 1996, transmitting a Notice of Violation.

We have reviewed your corrective actions, which appear to be adequate, and have no further questions at this time. These corrective actions will be examined during a future inspection.

Sincerely,

*Original signed by Cynthia D. Pederson*

1. Units will be tested every six months in the future; a leakage test has been completed on each of the two units in question and no problem has been found so, compliance is achieved.
2. Units will be inventoried every six months in the future; units in question have been inventoried and all are accounted for so, compliance is achieved.

If you have any questions about this, please contact me.

Sincerely,

The following is in response to your request for clarification of Item 2 in our "Reply to Notice of Violation" letter to you dated September 24, 1996:

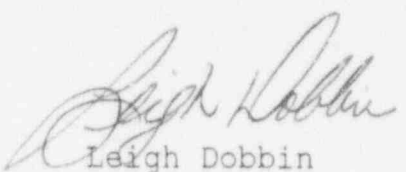

2. Units will be inventoried every six months in the future using a computer schedule tracking method to avoid a repeat violation. For reference, a copy of the current form is enclosed. Units in question have been inventoried and all are accounted for so, compliance is achieved.

If you have any questions about this item, please contact Leigh Dobbin.

Sincerely,
