Re: Freedom of Information Act Request

Dear FOIA Officer:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, I am requesting access to printed documentation of the two following reports:

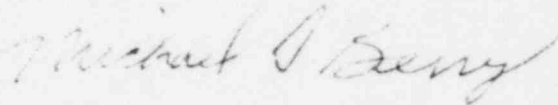

1. Disposal of solid radioactive wastes in bedded salt deposits, NAS-NRC Report (November 1979); and

2. The recent NRC report on the Department of Energy's proposal for a nuclear waste burial site at Hanford, Washington.

I am requesting this information for the benefit of the public and ask that you waive any fees.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 days, as the law stipulates.

Sincerely,

Michael D. Berry
