Docket No. 070-02894

License No. SNM-1845

MEMORANDUM FOR: Maureen Moriarty, Licensing Assistance Section, FCMS, NMSS
FROM: John D. Kinneman, Chief, Nuclear Materials Safety Section A
SUBJECT: EXPIRED LICENSE, DELAWARE VALLEY MEDICAL CENTER,
LANGHORNE, PENNSYLVANIA

On January 22, 1985, a licensee representative, Dr. Rossman was contacted and informed that License No. SNM-1845 had expired on January 31, 1984 and that no renewal application had been received. The licensee representative explained that they never received or possessed licensed material and wished to have the license terminated. This was confirmed in a letter from the licensee dated April 24, 1985 and a properly completed NRC Form-314 dated April 25, 1985.

Based on a review of the information supplied by the licensee and a review of the type and form of material authorized by the license, this license may be retired.

Based on the above information, we have retired License No. SNM-1845. Please remove it from your active shelves.
