SUBJECT: SATISFACTION OF CONFIRMATORY ACTION LETTER
DATED AUGUST 19, 1996

Dear Dr. Overhoff:

This refers to your letters dated September 25 and October 7, 1996, in response to our Confirmatory Action Letter (CAL) dated August 19, 1996. The CAL confirmed that you and your staff would review certain specified documents that pertain to the regulatory requirements associated with the distribution of products exempt from the requirements for a license. The CAL also confirmed your commitment to develop specified procedures to ensure compliance with NRC requirements and these procedures would be provided to appropriate staff during training and implementation.

Based on the information provided, we have determined that you have satisfied the terms of the CAL and we have no further questions at this time. Please be advised that we are continuing our review of this matter.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and your responses will be placed in the NRC Public Document Room.

We will gladly discuss any questions you may have concerning this matter.

Sincerely,
