Dear Mr. Lofy:

Subject: Modification No. 1 to Task Order No. 89, under Contract No.
NRC-03-93-026

The purpose of this modification is to revise the expiration date of the subject task order. The cover letter of the task order definitization letter reflected an expiration date of August 9, 1996, however, it should read September 30, 1996. The September 30, 1996, expiration date is consistent with the expiration date in the task order statement of work.

The issuance of this modification does not change any other terms or conditions of the task order including the ceiling amount of \$121,691.00.

Any questions regarding this matter should be addressed to John Eastman, Contract Specialist, on (301) 415-6590.

Please indicate your acceptance of this modification by having an official authorized to bind your organization execute three copies of this document in the space provided and return two copies to the Contract Specialist. You should retain the third copy for your records.

Sincerely,

Robert B. Webber
