Dear Mr. Catchpole:

We have received your application dated August 10, 1979, for a source material license for a production scale in-situ solution mine at the Bison Basin site in Fremont County, Wyoming. In order to commence the acceptance review of your application on this proposed project, additional copies of your Environmental Report (ER) are requested. Please send five (5) copies to:

Dr. Minton Kelly
 Oak Ridge National Laboratory
 Building 4500 N, Mail Stop D016
 P. O. Box X
 Oak Ridge, Tennessee 37830

and ten (10) copies to:

Mr. Ronald Kaufmann
 U.S. Nuclear Regulatory Commission
 Mail Stop 905-SS
 Washington, D.C. 20555

Upon receipt of the copies of the ER at Oak Ridge National Laboratory and NRC, your application will be docketed and the acceptance review will begin. This review is generally completed within thirty (30) days. Pursuant to the Proposed Rules for 10 CFR Part 51.61, you should retain 125 copies of the ER. If your application is accepted, a distribution list will be sent to you indicating where to send the ER copies you have retained.

If you have any questions or problems, please call Mr. Ron Kaufmann (301)427-4103 in Silver Spring, Maryland.

Sincerely,
