Please amend the above numbered radioactive material license to add a new facility located at 603 East Willow, Enid, Oklahoma 73702. A facility drawing which will also serve as a monthly survey form is enclosed.

At this time we would like to amend the mailing address for our company. Our corporate offices are located at: Suite 1120, KSB&T Bldg., 125 North Market, Wichita, Kansas 67202. As Radiation Protection Officer for the entire company, my offices are located here although I routinely visit the various stations to check radiation health physics practices.
