Director
Office of Inspection and Enforcement
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Mr. Director:

We at RCA will be applying for a license to possess and distribute byproduct material. In reading the regulations, Chapter 10 of the Code of Federal Regulations, Parts 19, 30, and 72, I find we must post form NRC-3 on the premises. I would appreciate it if you could send me some copies of this form. Thank you very much.

Sincerely,

JoAnn McAllister
