We have assigned a Location Reference Number (LRN) to each site you have reported. New activities should be reported on the enclosed NRC Form 241 marked as a revision. Revisions should be faxed to NRC Region II three days in advance of the proposed activity, along with the fee for the revision. SUBJECT: NOTIFICATION OF RECIPROCITY RECOGNITION - CALENDAR YEAR 1996

Gentlemen:

The enclosures to this letter are a Report of Proposed Activities in Non-Agreement States (NRC Form 241) and an Agreement State License. This notice is provided to you as a courtesy. We sent acknowledgement to this licensee by fax on August 22, 1996, and have only recently discovered that you had not been notified.

This office has granted recognition of an Agreement State license for activities to be performed within your boundaries. This recognition is authorized under Title 10, Code of Federal Regulations, Part 150, Section 20 (10 CFR 150.20). We have reviewed this license. The license is valid for the activities and devices described and for the time frame requested. The license does not limit the licensee to a particular location.

Further notifications of activities by this licensee within your boundaries may be made. We shall notify you should this happen. Should you have any questions concerning this matter, please call me at (404) 331-5624. Our fax numbers are (404) 331-7437/5559.

Sincerely,

/s/
