Subject: Registration Certificates NR-313-D-101-S and NR-313-D-102-S

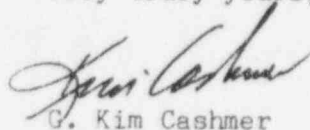

Reference: Your Letter Dated June 6, 1991

Dear Mr. Rich:

Loral Aeronutronic acknowledges receipt of the referenced letter and the subject certificates which states our equipment is acceptable for licensing purposes. Per your request, we have reviewed the certificates and did not find any errors.

Loral Aeronutronic thanks you for your assistance in this matter.

Very truly yours,

G. Kim Cashmer
Contract Administrator
Navy Production Programs
