3. Discussion

The licensee presented the details of the program consisting of a short term plan and a long term plan as summarized below.

Short Term Plan

Theory Upgrade Program
Conversion to Emergency Response Guides
Review of Relevant Topics
Independent Third Part Evaluation

Long Term Plan

Annual Comprehensive Oral and Written Exams
Site Referenced Simulator Training
One in Six Shift Rotation
Structured, Objective Program to Evaluate Trainees
Weak Areas Fed Back into Next Exam

4. Licensee Commitments

The licensee will provide documentation for those individuals whom they feel should be exempted from the theory upgrade portion of the program. NRC will be informed of the details of the independent third party evaluation when details are finalized.

The licensee will provide the names of individuals who will not complete the short term program prior to renewal with justification for why each individual license should be renewed prior to completion of that program.

5. NRC Commitments

No licenses will be renewed routinely at Connecticut Yankee until candidates have completed the short term requalification program. NRC will evaluate individual exemptions on a case basis. NRC may participate in the third party evaluation depending on what final arrangements are made.
