

October 31, 1996

MEMORANDUM TO: Hubert J. Miller, Regional Administrator
Region I

FROM: Thomas T. Martin, Director [Original signed by]
Division of Reactor Program Management
Office of Nuclear Reactor Regulations

SUBJECT: 10 CFR 50.73 REPORTING REQUIREMENTS

Your October 7, 1996, memorandum to Frank J. Miraglia recommended certain actions be taken to rectify the ambiguities in regulatory guidance associated with 10 CFR 50.73 reporting requirements. We agree that formal guidance should be available that reflects the current positions. As a result, we forwarded your memorandum on October 17, 1996, to AEOD for action.

Dennis Allison is the contact within AEOD.
