Mr. James M. Taylor  
Executive Director for Operations  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555-0001

**SUBJECT:** Meeting with NRC Senior Management - 10 CFR 50.54(f)

Dear Mr. Taylor:

As discussed, attached is a proposed agenda for the public meeting to be scheduled among NRC, NEI, and industry representatives to review the October 9, 1996, NRC letter requesting information regarding the availability and adequacy of design basis information. Since the industry must respond within 120 days, I look forward to hearing from you to establish a date to hold the meeting within the next two weeks.

If you have any questions regarding the attached agenda, please give me or Tony Pietranglo ((202) 739-8081) a call.

Sincerely,

*for Thomas E. Lyden*  
Ralph E. Beedle
