Re: Byproduct Material License No. 21-08606-09 - Renewal of Midland
Byproduct License

Attached are two copies of the renewal application for Byproduct Material
License No. 21-08606-09 which expires February 28, 1985.

This license application reflects changes and conditions at Midland
previously outlined in correspondence with the NRC dated October 23, 1984.
All former Byproduct Material License amendments, statements,
representations, and procedures should be considered void. Only the attached
information should be used in your evaluation of this renewal application.

The Byproduct Material License renewal falls under criteria outlined in
10CFR170.11 and requires no license fee.
