Subject: License No.: SNM-1551
Docket No.: 070-01993
Program Code: 22160

Dear Sir:

This will serve as a request to renew our license number SNM-1551, docket number 070-01993.

Our present mailing address is: The Lutheran Hospital of Fort Wayne, Inc., 3024 S. Fairfield Avenue, Fort Wayne, Indiana 46807.

Presently, we have four (4) living patients with Plutonium pace-makers implanted, two (2) patients have Medtronic model 9000, one (1) patient with Coratronics Model 100, and one (1) patient with Coratronics model 101. No Plutonium pacemakers remain in our possession.

The principal reason for our request to renew the existing license is to follow patients with implanted devices and to return explanted pace-makers to the manufacturer for proper disposal (but not to implant Plutonium pacemakers in the future).

Our listing of physicians remains as indicated in condition 16 of our license, August Tomusk, M.D.; Michael Mastrangelo, M.D., and Wayne Miller, M.D. in practice at 2828 Fairfield Avenue, Fort Wayne, Indiana 46807. Please see copy of license attached.

Sincerely,

William W. Wissman

William W. Wissman
Interim President
