COUNTY OF SUFFOLK

OFFICE OF THE COUNTY EXECUTIVE

PETER F. COHALAN
SUFFOLK COUNTY EXECUTIVE

JOHN C. GALLAGHER
CHIEF DEPUTY

EXECUTIVE ORDER NUMBER 2 - 1985

By its decision dated July 9, 1985, (Matter of Prospect v. Cohalan; Matter of Town of Southampton v. Cohalan), the New York Court of Appeals has stated: "If [Executive Order #1] is merely a vehicle for the gathering of information to enable the county executive to perform his statutorily mandated functions of taking 'an active and personal role in the development and implementation of disaster preparedness programs' (Executive Law §20[1][b]) and giving 'advice and assistance' to the local legislative body... (Executive Law §23[5]), it is clearly authorized under the statute."

In order to fulfill my statutorily mandated functions under Executive Law §20[1][b] as defined by the Court of Appeals and to fulfill my duty to give advice and assistance to the County Legislature, as well as to fulfill my obligations under the Suffolk County Charter, I will, from time to time, direct appropriate County Department heads to use the authority conferred upon them by the Suffolk County Charter to investigate, gather information, review, and evaluate such radiological emergency response plans for the Shoreham facility as may be feasible to protect the health, welfare and safety of the residents of Suffolk County, including but not limited to, the Local Emergency Response Plan. I will further direct that they report to me in writing the results of their respective assignments for transmission to the County Legislature for its review.

IN WITNESS WHEREOF, I hereby set my hand this 15th day of July, 1985.

A handwritten signature of Peter F. Cohalan in cursive script.

PETER F. COHALAN
SUFFOLK COUNTY EXECUTIVE
