Attention: Material Licensing Branch
Division of Fuel Cycle and Material Safety

Subject: Cancellation of License 12-1-1887-01

Gentlemen:

The above referenced license should be allowed to expire. The three sources in question were never installed in use in the Mt. Vernon plant. The sources were returned to the Ohmart Company and received by them on January 8, 1981. The sources consisted of three gauges of 20 mCi of Cs-137 shipped in SHGS containers. Point of contact for the Ohmart Corporation is Mr. Richard Stanton in their Purchasing Department. The Ohmart Corporation has an address as listed below:

4241 Allendorf Drive
Cincinnati, OH 45209
Phone: 513-272-0131

Sincerely,

W B Kulmacz
