IN RESPONSE REFER
TO FOIA-85-304

Dear Mr. Abel:

This is in response to your letter dated April 23, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), all documents relating to objections to the evacuation plans filed by or on behalf of prisoners incarcerated at Grateford Prison with regard to the Limerick plant.

During a May 2, 1985, telephone conversation with Joseph Cawley, you narrowed the scope of your request to cover the motion filed with the NRC by the prisoners; all responses to the prisoners' motion; and NRC board rulings on the prisoners' motion.

The enclosed appendix is a list of documents which respond to your request that are being placed in the NRC Public Document Room (PDR), 1717 H Street, NW, Washington, DC 20555. The documents will be placed in folder FOIA-85-304 under your name. We have also enclosed a notice which explains, in detail, how you can order copies of documents from the PDR.

Sincerely,

A handwritten signature in black ink, appearing to read "J. M. Felton".

J. M. Felton, Director
Division of Rules and Records
Office of Administration
