IN RESPONSE REFER  
TO FOIA-85-215

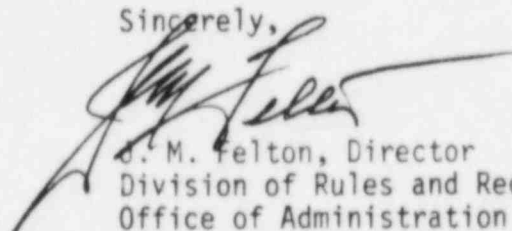

Dear Ms. Garde:

This is in response to your letter of March 25, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), records regarding NRC Inspection Reports Nos. 50-413/84-89 and 50-414/84-40 on the Catawba nuclear power plant.

Our technical staff has informed us that records pertaining to these reports were subject to two earlier FOIA requests: FOIA-84-722, from Nina Bell, Nuclear Information and Resource Service; and FOIA-84-902, from Stephen Kohn, GAP. Copies of both requests are in the PDR under the names of the requesters. The files for FOIA-84-722 also include NRC's partial response letters and appendices of October 16, 1984, May 6, 1985, and May 24, 1985. The files for FOIA-84-902 include NRC's partial response letters and appendices of March 29, 1985, and May 31, 1985.

A number of documents are still under review in both of these cases. When this review has been completed, we will place the remaining documents subject to FOIA-84-722 and FOIA-84-902 in the PDR or, as appropriate, provide them to Mr. Kohn. (Because GAP is representing the person involved in FOIA-84-902, certain information being withheld from the public in order to protect the privacy of the alleged will only be released directly to Mr. Kohn).

Sincerely,

S. M. Felton, Director  
Division of Rules and Records  
Office of Administration
