ATTENTION: Material License Division

To Whom It May Concern:

Per your letter dated September 4, 1984, The Procter & Gamble Manufacturing Plant, Lima, Ohio, requests to renew our specific license, Number 36-16013-01. Also, by your instructions, all items and restrictions contained in our most recent amendment to our specific license, dated August 19, 1984, remain intact, with the following changes. We have added four gauges to our plant with no deletions. The guages are as follows:

Downy Line 2 - Peco GAMIB GAMMA 101 - Americium 241, Activity 100 Millicuries
Downy Line 5A - Peco Pro Max 1000 - Americium 241, Activity 100 Millicories
HDL Line 4 - Peco Pro Max 1000 - Americium 241, Activity 100 Millicories
HDL Line 5 - Peco Pro Max 1000 - Americium 241, Activity 100 Millicories

The above sources were added due to new construction. As stated, all other items remain intact from our previous license and amendments.

Enclosed find our check (# 13546) dated September 28, 1984, in the amount of \$330.00 for the license renewal fee, along with copies of Application For Material License (NCR Form 313).
