FREEDOM OF INFORMATION
ACT REQUEST
FOIA-84-802

Rec'd 10-15-84

Dear Sir:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. 552, I hereby request copies of any interim or final reports generated by the NRC's Office of Investigations (OI) regarding the Zimmer Nuclear Power Plant construction site (Docket No. 50-358).

This request only includes finalized interim and final reports, as defined by 10 C.F.R. 9.3a(b) and the NRC Manual, Appendix 0211, Parts 1.A.2 and A.3. I do not wish copies of draft reports or final report supporting documents.

For any documents or portions that you deny due to a FOIA exemption, please provide an index itemizing the documents or portions of documents withheld. The index should provide a justification of your grounds for claiming each exemption, and an explanation of why each exemption is relevant. If any denial is based on a request from another government agency to withhold disclosure, please provide me with a copy of the request from that agency. I trust that any such request, used as a basis for a FOIA denial, will be in written form.

If any documents are denied as being part of an ongoing investigation or other action, I request that these documents be preserved for later release under this or a subsequent FOIA request.

I look forward to your response to this request in a reasonable period, as required by the Act.

Sincerely,

James E. Foster
