Dear Mrs. Boyle,

In continuation to our teleconversation I would like to request that our license # 1923 80301 E for radioactive materials as of today, the 21st of July 1996.

We assumed that lack of payments will cause automatic cancellation and therefore we did not send any letter to this effect. During the months January to July 1996 we had no activity in irradiated gems.

Sincerely,

Dr. G. Levin

President
