ALLEN BRODSKY

Nov. 3, 1976

To: Mike Parsont

From: *Allen*
Allen Brodsky

Attached is a revision of my own views and findings on the Mancuso paper, with recommendations, for consideration in preparing our ad hoc group report. My ~~XXXXXX~~ recommendations ~~XXXX~~ represent of course only my own reactions at this time, and are given with the expectation that they will be filtered through our ad hoc group and management before resulting in NRC action.
