IN RESPONSE REFER
TO FOIA-84-884

Dear Mr. Anderson:

This is in further response to your letter dated November 26, 1984, in which you requested, pursuant to the Freedom of Information Act, copies of any documents subsequent to 1980 describing the scope of work and results from projects completed, or in the process of being conducted or planned, by Westinghouse Electric Corporation or the Nuclear Regulatory Commission relating to tests or analyses of steam generator tube degradation in pressurized water reactors.

We are enclosing copies of the eight documents listed on the enclosed Appendix A which respond to your request as modified during subsequent telephone conversations between you and Joseph Cawley.

The NRC has not completed its search for and review of documents subject to your request. We will communicate with you again in the near future.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. M. Felton".

J. M. Felton, Director
Division of Rules and Records
Office of Administration
