Dear Ms. Douglas:

On September 16, 1983, Nature's Sunshine Products purchased from William Kobelak J.D., representing Northway Environmental Inc., a Hewlett Packard Model 5840A Gas Chromatograph with an EC detector. This detector (Model #18803-60520) contains a Nickel 63 source that falls under your jurisdiction. It is now located and operated by Nature's Sunshine Products, Spanish Fork, Utah.

Regards,

*Calvin W. McCausland*
