Gentlemen:

Thank you for your letter of June 28, 1985, in response to our letter dated June 6, 1985. As discussed with a member of your staff during an Enforcement Conference held on May 29, 1985, we regard the violations discovered during this inspection with great concern and indicated that we would review your response to determine if any additional enforcement actions are necessary.

Based on our review of your response, we have no further questions regarding your corrective actions. We will review implementation of these actions during a future inspection to ensure that they have been effective in preventing further noncompliance.

Sincerely,
