Dear Mr. Holonich:

You recently received a letter from John Arthur, Assistant Manager for Environment/Project Management, inviting you to a Stakeholder Roundtable to discuss the DOE-Albuquerque Operations Office (DOE-AL) Ten Year Plan.

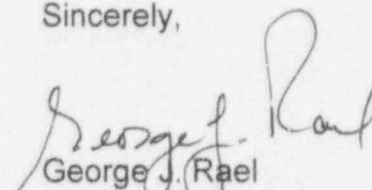

The DOE Grand Junction Office (GJO) will have a follow-up Roundtable on October 30, 1996, at the GJO Offices, 2597 B 3/4 Road, Grand Junction, Colorado. The Roundtable will be held from 1:00 pm to 4:30 pm.

In September, a "Draft Environmental Management Ten Year Plan for DOE Albuquerque Operations Office" was mailed to you. The Plan is being developed to introduce a ten year vision to complete clean-up at most DOE sites by fiscal year 2006.

We hope you will be able to attend the Roundtable on October 30, 1996, to discuss the Plan and to give us your comments, concerns and input.

If you have any questions, please call Chris Pennal at 970-248-6011 or Audrey Berry at 970-248-7727.

Sincerely,

George J. Rael
Acting Manager
