This is a request on the renewal of our license #48-15851-3 and that we wish to continue to operate under your current license. We will operate under applicable NRC regulations and license conditions.

The following is a list of documents by date, that have previously been submitted:

New license application dated September 13, 1979
Amendment to license dated October 10, 1979

Addition:

Per Letter dated June 13, 1984 to all fixed gauge licensee's, the following additional information:

1. The environment of this gauge is not a corrosive atmosphere. Minimal vibration and ambient temperature does not exceed manufacturer's specifications.
2. A routine maintenance program was being formalized.

Enclosed is a check for the application renewal fee of \$120.00 per \$170.31, Category 1, Section J.

Sincerely,
