

November 5, 1996

Mr. Allan Loiselle  
Poloroid Corporation  
1265 Main Street  
Waltham, MA 02254

Dear Mr. Loiselle:

Enclosed is Quality Assurance Program Approval for Radioactive Material Packages No. 0621, Revision No. 1, as reinstated. This Approval satisfies the requirements of 10 CFR § 71.12(b) for a Quality Assurance Program approved by the Commission.

Please note the conditions in the Approval.

This Approval will remain in effect until the expiration date, indicated in Block No. 3. Termination of your materials license does not cause this Approval to be automatically terminated. If you wish to renew, amend, or terminate this Approval, please request it in writing.

As a part of the reinstatement process, you are required to register as a user of each NRC-approved packaging that you are currently using or planning to use. Registration for use of NRC-approved packagings should be made pursuant to 10 CFR § 71.12(c)(3).

Sincerely,

/s/

John P. Jankovich, Section Chief  
Transportation and Storage Inspection Section  
Spent Fuel Project Office, NMSS
