FOIA/PA REQUEST

Director, Division of Freedom of Information
and Publications Services
Office of Administration
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

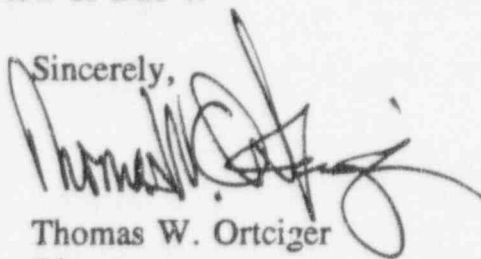

Case No: 96-407
Date Rec'd: 10-8-96
Action Off: Rammeling
Related Case: _____

This is a Freedom of Information Act request.

I request that we be provided a copy of SECY-95-154 which concerns recommendations of the NRC National Performance Review Steering Committee. I understand it includes a recommendation that affects states. This paper is referenced in Section I.A. of DSI-4, NRC's Relationship With Agreement States of the Strategic Assessment documents.

I request that any fees associated with this request be waived, since it apparently affects us as an Agreement State, we are not a commercial use requestor, and it is needed in context of our review of DSI-4.

Sincerely,

Thomas W. Ortziger
Director
