)	(Emergency Planning Proceeding)
(Shoreham Nuclear Power Station,)	
Unit 1))	

LILCO'S MOTION FOR EXTENSION OF TIME
TO FILE RESPONSIVE BRIEF ON LEGAL AUTHORITY-RELATED ISSUES

On July 11, the Staff requested, with LILCO's consent, a four-day extension of time, from Monday July 15 to Friday July 19, to file its brief on legal authority-related issues, based on personal hardship to Staff counsel. Staff counsel accurately represented that LILCO did not at that time request a corresponding extension of its filing deadline of Tuesday, July 23, but would evaluate the need for it upon review of the Staff's brief.

In agreeing to the Staff's requested extension on the terms recited, LILCO counsel purely by inadvertence, overlooked the fact that a weekend followed immediately upon the Staff's revised briefing deadline, and that only one business day would remain between the Staff's revised deadline and LILCO's current one. The vagaries of weekend document service are such as to commend an anticipatory request for a brief extension of LILCO's deadline. Accordingly, LILCO requests a two-day extension of time, from

8507230350 850719
PDR ADDCK 05000322
G PDR

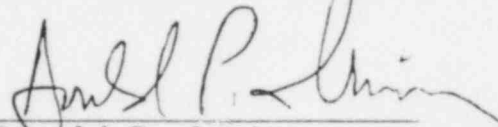

DS03

Tuesday July 23 to Thursday July 25, to file its responsive brief. If the requested extension is granted, LILCO will ensure service by hand that day on all parties in the Washington area and service by Federal Express on all other active parties.

LILCO believes that the shortness of time to review and respond to the Staff's brief, the brevity of the requested extension, and the amount of time remaining before the oral argument on this issue establish good cause for and the absence of prejudice from the requested extension.

LILCO has requested the consent of counsel for the Regulatory Staff, the Suffolk County Attorney's Office, the firm of Kirkpatrick & Lockhart, and the State of New York, and is authorized to state that they do not oppose the requested extension.

Respectfully submitted,

Donald P. Irwin
James N. Christman
