Dear Mr. Bouchard:

Thank you for your presentation at the National State Liaison Officers' meeting on October 9, 1996. Your discussion of the State of Rhode Island ingestion pathway planning effort was interesting and informative. You obviously have put a lot of work into your planning effort in Rhode Island and offered some very thoughtful recommendations to your colleagues in other States. I apologize for the program falling a little behind schedule. You did a fine job within the time allotted. Thank you again for your participation.

Sincerely,
