Dear Commissioner Sanda:

Thank you for your participation in the National State Liaison Officers' meeting on October 9, 1996. You served admirably on the panel discussing the issues associated with high-level radioactive waste, spent fuel storage and transportation. The panel discussions were certainly interesting and informative, as well as entertaining.

I look forward to working with you in the future on this and other issues of importance to the States. Thank you again for your participation.

Sincerely,
