Gentlemen;

Your letter dated January 19, 1983 informing ADVANCED RADIATION SERVICE, that application for renewal must be submitted within thirty (30) days, was greatly appreciated. However, our ADMINISTRATIVE and OPERATING & EMERGENCY PROCEDURE manual is not complete, due to numerous illnesses, and unforeseen delays in communication with our consultant.

We therefore request a fourteen (14) day extension. We feel this will enable us to properly complete our documents to your satisfaction. If this request will be granted, our application for renewal will be at your office no later than March 5, 1983. We thank you for your kind consideration.

Very truly yours,

Anton S. Kurtz
