Re: License No. 34-18906-01

Dear Ms. Holt:

With our submission of data on January 31, 1983, two items were unintentionally omitted that should have completed the requirements for the license transfer from J. E. Baker Company to the Ohio Lime Company, Woodville, Ohio.

Please find attached a memo from the J. E. Baker Company verifying the transfer of ownership and a documentation on the supervisor who will directly supervise the use of the licensed material.

Very truly yours,

R. L. Halliday  
Vice President - Operations
