Director
License Management Branch
Division of Fuel Cycle and Material Safety
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Sir:

In accordance with your notice of expiration dated February 28, 1979, I am enclosing duplicate copies of our application for renewal of our teletherapy license number 24-00889-02 with a check for the renewal fee of \$270.00. The application is submitted in the format suggested by your INFORMATION REQUIRED FOR RENEWAL OF TELETHERAPY LICENSES, without the use of Form NRC-313M, which appears to be designed for nuclear medicine licenses, rather than teletherapy licenses.

Sincerely yours,

James H. Taylor
Assistant Director
