Dear Ms. Holt:

Please amend our license as follows:

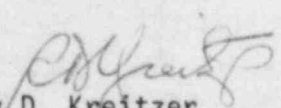

1. Add Robert Field, MD, for Group VI sources. Dr. Field is listed on License (34-12100-03) of St. Rita's Medical Center, Lima, Ohio for Group-6 sources.
2. Cesium sealed sources will be stored in the Brachytherapy storage room in Radiation Therapy. The exposure rate in any adjacent unrestricted areas will meet the limits of 10 CFR 20.105.

Item 2 above corrects the original cesium amendment request of July 19, 1982.

Enclosed is our check for \$120.

Thank you for your assistance.

Sincerely,

Ray D. Kreitzer
Administrative Director,
Department of Nuclear Medicine
